MEDIA RELEASE

Super Clinic expansion for Narrandera medical practice

Narrandera Mayor joined principal of Narrandera GP Management Mrs Liz Romeo in welcoming today's announcement that Narrandera will be home to the Riverina GP Super Clinic. The announcement was made by Minister for Health Nicola Roxon.

Mrs Romeo and her husband Doctor Joe Romeo were informed by the Health Department on Wednesday and contacted the Mayor and General Manager immediately to share the good news.

The GP Superclinic will relieve pressures on primary health care in the region surrounding Narrandera and bring together a range of primary health care disciplines and services.

Mayor Graham Eipper said that a Superclinic at Narrandera will give a huge boost to ongoing efforts to attract health professionals and other ancillary services "I congratulate Liz and Joe Romeo on their vision, and their commitment to expanding their business and the service they offer the people of Narrandera Shire and beyond. The Council is delighted to have been able to assist with a gift of land to allow the expansion, and look forward to working with them to see the project through to fruition."

Mrs Romeo said "We are very pleased that Narrandera was chosen to be the recipient of the Commonwealth Government's funding for a GP Super Clinic. The completed development will be a fantastic facility for the community, and the funding agreement ensures that the facilities remain a part of the community for a period of 20 years".

Narrandera GP Management submission was one of 8 in New South Wales announced by the Federal Government for Commonwealth funding.
