NAMING CEREMONY OF THE T.E. SMITH ROCKY WATERHOLES BRIDGE

Narrandera Shire Council Mayor Cr Kschenka, together with Member for Parliament Steph Cooke and Mrs Nella Smith, had the honour of conducting the naming ceremony at the T.E. Smith Rocky Waterholes Bridge on Monday 9 July 2018.

This dedication recognises the legacy of Mr Terry Smith, a man of many talents for which Narrandera Shire is indebted to him for his outstanding contribution to enhancing the local natural environment. He was passionate about caring for the environment, and an active member of our community.

Among many things, Terry was an avid member of Narrandera Landcare, the Narrandera Koala Regeneration Committee and the Narrandera Shire Council Wetlands Advisory Committee.

He was eager to see Narrandera Wetlands established and maintained to a level that was attractive to visitors and locals, and was effective for providing habitat to native birds, plants and animals.

The T.E Smith Rocky Waterholes Bridge is one of the many projects Terry was involved in with great passion and interest. Many locals will attest that the Rocky Waterholes Bridge project is one of the greatest community projects seen in the Narrandera Shire.

Mayor Kschenka said of the ceremony "It was wonderful to see such a great turn out of community members come together with Terry's family and friends, in celebration of Terry's achievements and acknowledge all that he did for our Shire."
