The Model Code of Conduct for Local Councils in NSW - 2020:
 Prescribed 7 August 2020
 Adopted by Narrandera Shire Council XX Month 2020

PART 1 INTRODUCTION

This *Model Code of Conduct for Local Councils in NSW* ("the Model Code of Conduct") is made under section 440 of the *Local Government Act 1993* ("LGA") and the *Local Government (General) Regulation 2005* ("the Regulation").

The Model Code of Conduct sets the minimum standards of conduct for council officials. It is prescribed by regulation to assist council officials to:

- understand and comply with the standards of conduct that are expected of them
- enable them to fulfil their statutory duty to act honestly and exercise a reasonable degree of care and diligence (section 439)
- act in a way that enhances public confidence in local government.

Section 440 of the LGA requires every council (including county councils) and joint organisation to adopt a code of conduct that incorporates the provisions of the Model Code of Conduct. A council's or joint organisation's adopted code of conduct may also include provisions that supplement the Model Code of Conduct and that extend its application to persons that are not "council officials" for the purposes of the Model Code of Conduct (eg volunteers, contractors and members of wholly advisory committees).

A council's or joint organisation's adopted code of conduct has no effect to the extent that it is inconsistent with the Model Code of Conduct. However, a council's or joint organisation's adopted code of conduct may prescribe requirements that are more onerous than those prescribed in the Model Code of Conduct.

Councillors, administrators, members of staff of councils, delegates of councils, (including members of council committees that are delegates of a council) and any other person a council's adopted code of conduct applies to, must comply with the applicable provisions of their council's code of conduct. It is the personal responsibility of council officials to comply with the standards in the code and to regularly review their personal circumstances and conduct with this in mind.

Failure by a councillor to comply with the standards of conduct prescribed under this code constitutes misconduct for the purposes of the LGA. The LGA provides for a range of penalties that may be imposed on councillors for misconduct, including suspension or disqualification from civic office. A councillor who has been suspended on three or more occasions for misconduct is automatically disqualified from holding civic office for five years.

Failure by a member of staff to comply with a council's code of conduct may give rise to disciplinary action.

Note: References in the Model Code of Conduct to councils are also to be taken as references to county councils and joint organisations.

Note: In adopting the Model Code of Conduct, joint organisations should adapt it to substitute the terms "board" for "council", "chairperson" for "mayor", "voting representative" for "councillor" and "executive officer" for "general manager".

Note: In adopting the Model Code of Conduct, county councils should adapt it to substitute the term “chairperson” for “mayor” and “member” for “councillor”.

- h) an interest you have arising from the proposed making by the council of an agreement between the council and a corporation, association or partnership, being a corporation, association or partnership that has more than 25 members, if the interest arises because your relative is a shareholder (but not a director) of the corporation, or is a member (but not a member of the committee) of the association, or is a partner of the partnership
- i) an interest you have arising from the making by the council of a contract or agreement with your relative for, or in relation to, any of the following, but only if the proposed contract or agreement is similar in terms and conditions to such contracts and agreements as have been made, or as are proposed to be made, by the council in respect of similar matters with other residents of the area:
 - i) the performance by the council at the expense of your relative of any work or service in connection with roads or sanitation

- d) a person (other than a member of the senior staff of the council) who is a member of a committee of the council identified by the council as a committee whose members are designated persons because the functions of the committee involve the exercise of the council's functions (such as regulatory functions or contractual functions) that, in their exercise, could give rise to a conflict between the member's duty as a member of the committee and the member's private interest.

What disclosures must be made by council staff other than designated persons?

- 4.16 A person who, at the request or with the consent of the council or a council committee, gives advice on any matter at any meeting of the council or committee, must disclose the nature of any pecuniary interest the person has in the matter to the meeting at the time the advice is given. The person is not required to disclose the person's interest as an adviser.

What disclosures must be made by a council committee member?

- 4.18 A council committee member must disclose pecuniary interests in accordance with clause 4.28 and comply with clause 4.29.

Disclosure of interests in written returns

- 4.21 A councillor or designated person must make and lodge with the general manager a return in the form set out in schedule 2 to this code, disclosing the councillor's or designated person's interests as specified in schedule 1 to this code within 3 months after:

Disclosure of pecuniary interests at meetings

- 4.31 A disclosure made at a meeting of a council or council committee must be recorded in the minutes of the meeting.

- a) a member of, or in the employment of, a specified company or other body, or
 - b) a partner of, or in the employment of, a specified person.
- Such a notice is, unless and until the notice is withdrawn or until the end of the term of the council in which it is given (whichever is the sooner), sufficient disclosure of the councillor's or council committee member's interest in a matter

relating to the specified company, body or person that may be the subject of consideration by the council or council committee after the date of the notice.

- 4.33 A councillor or a council committee member is not prevented from being present at and taking part in a meeting at which a matter is being considered, or from voting on the matter, merely because the councillor or council committee member has an interest in the matter of a kind referred to in clause 4.6.
- 4.34 A person does not breach clauses 4.28 or 4.29 if the person did not know, and could not reasonably be expected to have known, that the matter under consideration at the meeting was a matter in which they had a pecuniary interest.
- 4.35 Despite clause 4.29, a councillor who has a pecuniary interest in a matter may participate in a decision to delegate consideration of the matter in question to another body or person.
- 4.36 Clause 4.29 does not apply to a councillor who has a pecuniary interest in a matter that is being considered at a meeting if:
- a) the matter is a proposal relating to:
 - i) the making of a principal environmental planning instrument applying to the whole or a significant portion of the council's area, or
 - ii) the amendment, alteration or repeal of an environmental planning instrument where the amendment, alteration or repeal applies to the whole or a significant portion of the council's area, and
 - b) the pecuniary interest arises only because of an interest of the councillor in the councillor's principal place of residence or an interest of another person (whose interests are relevant under clause 4.3) in that person's principal place of residence, and
 - c) the councillor made a special disclosure under clause 4.37 in relation to the interest before the commencement of the meeting.
- 4.37 A special disclosure of a pecuniary interest made for the purposes of clause 4.36(c) must:
- a) be in the form set out in schedule 3 of this code and contain the information required by that form, and

- 4.38 The Minister for Local Government may, conditionally or unconditionally, allow a councillor or a council committee member who has a pecuniary interest in a matter with which the council is concerned to be present at a meeting of the council or committee, to take part in the consideration or discussion of the matter and to vote on the matter if the Minister is of the opinion:
- a) that the number of councillors prevented from voting would be so great a proportion of the whole as to impede the transaction of business, or
 - b) that it is in the interests of the electors for the area to do so.
- 4.39 A councillor or a council committee member with a pecuniary interest in a matter who is permitted to be present at a meeting of the council or committee, to take

15

part in the consideration or discussion of the matter and to vote on the matter under clause 4.38, must still disclose the interest they have in the matter in accordance with clause 4.28.

PART 5 NON-PECUNIARY CONFLICTS OF INTEREST

What is a non-pecuniary conflict of interest?

- 5.1 Non-pecuniary interests are private or personal interests a council official has that do not amount to a pecuniary interest as defined in clause 4.1 of this code. These commonly arise out of family or personal relationships, or out of involvement in sporting, social, religious or other cultural groups and associations, and may include an interest of a financial nature.
- 5.2 A non-pecuniary conflict of interest exists where a reasonable and informed person would perceive that you could be influenced by a private interest when carrying out your official functions in relation to a matter.
- 5.3 The personal or political views of a council official do not constitute a private interest for the purposes of clause 5.2.
- 5.4 Non-pecuniary conflicts of interest must be identified and appropriately managed to uphold community confidence in the probity of council decision-making. The onus is on you to identify any non-pecuniary conflict of interest you may have in matters that you deal with, to disclose the interest fully and in writing, and to take appropriate action to manage the conflict in accordance with this code.
- 5.5 When considering whether or not you have a non-pecuniary conflict of interest in a matter you are dealing with, it is always important to think about how others would view your situation.

Managing non-pecuniary conflicts of interest

- 5.6 Where you have a non-pecuniary conflict of interest in a matter for the purposes of clause 5.2, you must disclose the relevant private interest you have in relation to the matter fully and in writing as soon as practicable after becoming aware of the non-pecuniary conflict of interest and on each occasion on which the non-pecuniary conflict of interest arises in relation to the matter. In the case of members of council staff other than the general manager, such a disclosure is to be made to the staff member's manager. In the case of the general manager, such a disclosure is to be made to the mayor.
- 5.7 If a disclosure is made at a council or committee meeting, both the disclosure and the nature of the interest must be recorded in the minutes on each occasion on which the non-pecuniary conflict of interest arises. This disclosure constitutes disclosure in writing for the purposes of clause 5.6.
- 5.8 How you manage a non-pecuniary conflict of interest will depend on whether or not it is significant.
- 5.9 As a general rule, a non-pecuniary conflict of interest will be significant where it does not involve a pecuniary interest for the purposes of clause 4.1, but it involves:
 - a) a relationship between a council official and another person who is affected by a decision or a matter under consideration that is particularly close, such

as a current or former spouse or de facto partner, a relative for the purposes of clause 4.4 or another person from the council official's extended family that the council official has a close personal relationship with, or another person living in the same household

- b) other relationships with persons who are affected by a decision or a matter under consideration that are particularly close, such as friendships and business relationships. Closeness is defined by the nature of the friendship or business relationship, the frequency of contact and the duration of the friendship or relationship.
- c) an affiliation between the council official and an organisation (such as a sporting body, club, religious, cultural or charitable organisation, corporation or association) that is affected by a decision or a matter under consideration that is particularly strong. The strength of a council official's affiliation with an organisation is to be determined by the extent to which they actively participate in the management, administration or other activities of the organisation.
- d) membership, as the council's representative, of the board or management committee of an organisation that is affected by a decision or a matter under consideration, in circumstances where the interests of the council and the organisation are potentially in conflict in relation to the particular matter
- e) a financial interest (other than an interest of a type referred to in clause 4.6) that is not a pecuniary interest for the purposes of clause 4.1
- f) the conferral or loss of a personal benefit other than one conferred or lost as a member of the community or a broader class of people affected by a decision.

5.10 Significant non-pecuniary conflicts of interest must be managed in one of two ways:

- a) by not participating in consideration of, or decision making in relation to, the matter in which you have the significant non-pecuniary conflict of interest and the matter being allocated to another person for consideration or determination, or
- b) if the significant non-pecuniary conflict of interest arises in relation to a matter under consideration at a council or committee meeting, by managing the conflict of interest as if you had a pecuniary interest in the matter by complying with clauses 4.28 and 4.29.

5.11 If you determine that you have a non-pecuniary conflict of interest in a matter that is not significant and does not require further action, when disclosing the interest you must also explain in writing why you consider that the non-pecuniary conflict of interest is not significant and does not require further action in the circumstances.

5.12 If you are a member of staff of council other than the general manager, the decision on which option should be taken to manage a non-pecuniary conflict of interest must be made in consultation with and at the direction of your manager. In the case of the general manager, the decision on which option should be taken to manage a non-pecuniary conflict of interest must be made in consultation with and at the direction of the mayor.

5.13 Despite clause 5.10(b), a councillor who has a significant non-pecuniary conflict of interest in a matter, may participate in a decision to delegate consideration of the matter in question to another body or person.

5.14 Council committee members are not required to declare and manage a non-pecuniary conflict of interest in accordance with the requirements of this Part where it arises from an interest they have as a person chosen to represent the community, or as a member of a non-profit organisation or other community or special interest group, if they have been appointed to represent the organisation or group on the council committee.

Political donations

5.15 Councillors should be aware that matters before council or committee meetings involving their political donors may also give rise to a non-pecuniary conflict of interest.

5.16 Where you are a councillor and have received or knowingly benefitted from a reportable political donation:

- a) made by a major political donor in the previous four years, and
- b) the major political donor has a matter before council,

you must declare a non-pecuniary conflict of interest in the matter, disclose the nature of the interest, and manage the conflict of interest as if you had a pecuniary interest in the matter by complying with clauses 4.28 and 4.29. A disclosure made under this clause must be recorded in the minutes of the meeting.

5.17 For the purposes of this Part:

- a) a “reportable political donation” has the same meaning as it has in section 6 of the *Electoral Funding Act 2018*
- b) “major political donor” has the same meaning as it has in the *Electoral Funding Act 2018*.

5.18 Councillors should note that political donations that are not a “reportable political donation”, or political donations to a registered political party or group by which a councillor is endorsed, may still give rise to a non-pecuniary conflict of interest. Councillors should determine whether or not such conflicts are significant for the purposes of clause 5.9 and take the appropriate action to manage them.

5.19 Despite clause 5.16, a councillor who has received or knowingly benefitted from a reportable political donation of the kind referred to in that clause, may participate in a decision to delegate consideration of the matter in question to another body or person.

Loss of quorum as a result of compliance with this Part

5.20 A councillor who would otherwise be precluded from participating in the consideration of a matter under this Part because they have a non-pecuniary conflict of interest in the matter is permitted to participate in consideration of the matter if:

- a) the matter is a proposal relating to:

- i) the making of a principal environmental planning instrument applying to the whole or a significant portion of the council's area, or
- ii) the amendment, alteration or repeal of an environmental planning instrument where the amendment, alteration or repeal applies to the whole or a significant portion of the council's area, and
- b) the non-pecuniary conflict of interest arises only because of an interest that a person has in that person's principal place of residence, and
- c) the councillor discloses the interest they have in the matter that would otherwise have precluded their participation in consideration of the matter under this Part in accordance with clause 5.6.

5.21 The Minister for Local Government may, conditionally or unconditionally, allow a councillor or a council committee member who is precluded under this Part from participating in the consideration of a matter to be present at a meeting of the council or committee, to take part in the consideration or discussion of the matter and to vote on the matter if the Minister is of the opinion:

- a) that the number of councillors prevented from voting would be so great a proportion of the whole as to impede the transaction of business, or
- b) that it is in the interests of the electors for the area to do so.

5.22 Where the Minister exempts a councillor or committee member from complying with a requirement under this Part under clause 5.21, the councillor or committee member must still disclose any interests they have in the matter the exemption applies to, in accordance with clause 5.6.

Other business or employment

5.23 The general manager must not engage, for remuneration, in private employment, contract work or other business outside the service of the council without the approval of the council.

5.24 A member of staff must not engage, for remuneration, in private employment, contract work or other business outside the service of the council that relates to the business of the council or that might conflict with the staff member's council duties unless they have notified the general manager in writing of the employment, work or business and the general manager has given their written approval for the staff member to engage in the employment, work or business.

5.25 The general manager may at any time prohibit a member of staff from engaging, for remuneration, in private employment, contract work or other business outside the service of the council that relates to the business of the council, or that might conflict with the staff member's council duties.

5.26 A member of staff must not engage, for remuneration, in private employment, contract work or other business outside the service of the council if prohibited from doing so.

5.27 Members of staff must ensure that any outside employment, work or business they engage in will not:

- a) conflict with their official duties

- b) involve using confidential information or council resources obtained through their work with the council including where private use is permitted
- c) require them to work while on council duty
- d) discredit or disadvantage the council
- e) pose, due to fatigue, a risk to their health or safety, or to the health and safety of their co-workers.

[Personal dealings with council](#)

5.28 You may have reason to deal with your council in your personal capacity (for example, as a ratepayer, recipient of a council service or applicant for a development consent granted by council). You must not expect or request preferential treatment in relation to any matter in which you have a private interest because of your position. You must avoid any action that could lead members of the public to believe that you are seeking preferential treatment.

5.29 You must undertake any personal dealings you have with the council in a manner that is consistent with the way other members of the community deal with the council. You must also ensure that you disclose and appropriately manage any conflict of interest you may have in any matter in accordance with the requirements of this code.

PART 6 PERSONAL BENEFIT

6.1 For the purposes of this Part, a gift or a benefit is something offered to or received by a council official or someone personally associated with them for their personal use and enjoyment.

 - i) the discussion of official business
 - ii) work-related events such as council-sponsored or community events, training, education sessions or workshops
 - iii) conferences
 - iv) council functions or events
 - v) social functions organised by groups, such as council committees and community organisations.

Gifts and benefits

6.3 You must avoid situations that would give rise to the appearance that a person or body is attempting to secure favourable treatment from you or from the council, through the provision of gifts, benefits or hospitality of any kind to you or someone personally associated with you.

6.4 A gift or benefit is deemed to have been accepted by you for the purposes of this Part, where it is received by you or someone personally associated with you.

How are offers of gifts and benefits to be dealt with?

6.5 You must not:

- a) seek or accept a bribe or other improper inducement
- b) seek gifts or benefits of any kind
- c) accept any gift or benefit that may create a sense of obligation on your part, or may be perceived to be intended or likely to influence you in carrying out your public duty
- d) subject to clause 6.7, accept any gift or benefit of more than token value as defined by clause 6.9

- e) accept an offer of cash or a cash-like gift as defined by clause 6.13, regardless of the amount

- g) personally benefit from reward points programs when purchasing on behalf of the council.

6.6 Where you receive a gift or benefit of any value other than one referred to in clause 6.2, you must disclose this promptly to your manager or the general manager in writing. The recipient, manager, or general manager must ensure that, at a minimum, the following details are recorded in the council's gift register:

- a) the nature of the gift or benefit
- b) the estimated monetary value of the gift or benefit
- c) the name of the person who provided the gift or benefit, and
- d) the date on which the gift or benefit was received.

6.7 Where you receive a gift or benefit of more than token value that cannot reasonably be refused or returned, the gift or benefit must be surrendered to the council, unless the nature of the gift or benefit makes this impractical.

Gifts and benefits of token value

6.8 You may accept gifts and benefits of token value. Gifts and benefits of token value are one or more gifts or benefits received from a person or organisation over a 12-month period that, when aggregated, do not exceed a value of \$100. They include, but are not limited to:

- a) invitations to and attendance at local social, cultural or sporting events with a ticket value that does not exceed \$100
- b) gifts of alcohol that do not exceed a value of \$100
- c) ties, scarves, coasters, tie pins, diaries, chocolates or flowers or the like
- d) prizes or awards that do not exceed \$100 in value.

Gifts and benefits of more than token value

6.9 Gifts or benefits that exceed \$100 in value are gifts or benefits of more than token value for the purposes of clause 6.5(d) and, subject to clause 6.7, must not be accepted.

6.10 Gifts and benefits of more than token value include, but are not limited to, tickets to major sporting events (such as international matches or matches in national sporting codes) with a ticket value that exceeds \$100, corporate hospitality at a corporate facility at major sporting events, free or discounted products or services for personal use provided on terms that are not available to the general public or a broad class of persons, the use of holiday homes, artworks, free or discounted travel.

6.11 Where you have accepted a gift or benefit of token value from a person or organisation, you must not accept a further gift or benefit from the same person or organisation or another person associated with that person or organisation within a single 12-month period where the value of the gift, added to the value of earlier gifts received from the same person or organisation, or a person

associated with that person or organisation, during the same 12-month period would exceed \$100 in value.

- 6.12 For the purposes of this Part, the value of a gift or benefit is the monetary value of the gift or benefit inclusive of GST.

“Cash-like gifts”

- 6.13 For the purposes of clause 6.5(e), “cash-like gifts” include, but are not limited to, gift vouchers, credit cards, debit cards with credit on them, prepayments such as phone or internet credit, lottery tickets, memberships or entitlements to discounts that are not available to the general public or a broad class of persons.

Improper and undue influence

- 6.14 You must not use your position to influence other council officials in the performance of their official functions to obtain a private benefit for yourself or for somebody else. A councillor will not be in breach of this clause where they seek to influence other council officials through the proper exercise of their role as prescribed under the LGA.
- 6.15 You must not take advantage (or seek to take advantage) of your status or position with council, or of functions you perform for council, in order to obtain a private benefit for yourself or for any other person or body.

Refusal of access to information

- 8.8 Where the general manager or public officer determine to refuse access to information requested by a councillor or administrator, they must act reasonably. In reaching this decision they must take into account whether or not the information requested is necessary for the councillor or administrator to perform their official functions (see clause 8.2) and whether they have disclosed a conflict of interest in the matter the information relates to that would preclude their participation in consideration of the matter (see clause 8.6). The general manager or public officer must state the reasons for the decision if access is refused.

MODEL CODE OF CONDUCT FOR LOCAL COUNCILS IN NSW

'AT A GLANCE' GUIDE FOR ELECTED MEMBERS

Introduction

This guide summarises the key elements of the *Model Code of Conduct for Local Councils in NSW* that apply to elected members of local and county councils and joint organisations.

The Model Code of Conduct is available at www.olg.nsw.gov.au.

Each council's and joint organisation's code of conduct must reflect the requirements of the Model Code of Conduct and may contain additional requirements.

While this guide refers to "councils" for simplicity, all references in it to "councils" are to be taken as including local and county councils and joint organisations.

References to "councillors" are to be taken as references to mayors and councillors of local councils, members and chairpersons of county councils and voting representatives and chairpersons of joint organisations.

All councillors should familiarise themselves with their council's code of conduct and understand their obligations and the obligations of others.

General Conduct

It is important that the local community has confidence in the council and those that serve it, whether as elected representatives, members of staff or as delegates or committee members.

As a councillor, you must ensure that your conduct and behaviour towards others (including members of staff) meets the high standards that the community is entitled to expect of all council officials.

→ What conduct is expected of a councillor?

(Clauses 3.1 – 3.14)

You **must**:

- act lawfully and honestly and exercise care and diligence in undertaking your duties
- consider matters consistently, promptly and fairly and in accordance with established procedures
- ensure land use planning, development assessment and other regulatory decisions are properly made and that all parties are dealt with fairly, and
- comply with your duties under the *Work Health and Safety Act 2011* and take care of your own and others' health and safety

You **must not** conduct yourself in a way that:

- will bring the council into disrepute
- is contrary to law and council policies
- is improper, unethical or an abuse of power
- involves misuse of your position for personal benefit
- constitutes harassment or bullying or is unlawfully discriminatory, or
- is intimidating or verbally abusive.

→ **How must I behave in meetings?**

(Clauses 3.15 – 3.22)

Council and committee meetings are the key forum in which councillors exercise their role as members of governing body of the council and make decisions that are in the best interests of the council and the broader community.

It is critical that the community can have confidence in the decisions made on its behalf by its elected representatives at council and committee meetings.

For this reason, meetings must be conducted in an orderly, respectful way and decisions must be made that are informed and soundly based.

Councillors must not participate in binding caucus votes in relation to matters considered at council or committee meetings (other than for the election of the mayor or deputy mayor or to nominate a person to be a member of a committee or the council's representative on an external body).

At meetings, councillors must comply with rulings by the chair (unless a dissenting motion is passed) and must not:

- engage in disruptive or disorderly behaviour, or
- bully the chair or other councillors or council staff and members of the public attending meetings.

Councillors also must not engage in conduct at meetings that prevents the proper or effective functioning of the council including by:

- leaving the meeting to deprive it of a quorum
- submitting a rescission motion and then voting against it to prevent another councillor from submitting a rescission motion in relation to the same decision, or
- impeding the consideration of business at the meeting.

Submitting returns of interests

Councillors are required to disclose their personal interests in publicly available returns of interests.

These operate as a key transparency mechanism for promoting community confidence in decision making by councillors.

→ **When do I need to submit a written return of interests?**

(Clause 4.21)

You must submit a return of interests within three months of being elected and submit a new return annually (within three months of the start of each financial year).

If you become aware of any new interest that needs to be disclosed in the return, you must submit a new return within three months of becoming aware of the interest.

→ **What interests do I need to disclose?**

(Schedule 1)

You are required to disclose, among other things, the following types of interests in your return:

- interests in real property
- gifts
- contributions to travel
- interests and positions in corporations
- whether you are a property developer or a close associate of a property developer
- positions in trade unions and professional or business associations
- dispositions of real property
- sources of income, and
- debts

Conflicts of interest

As a member of the local community, it is inevitable that at some point you will have a conflict of interest in a matter that you are dealing with.

What is important is that you are able to identify that you have a conflict of interest and that you disclose and manage it appropriately.

There are two types of conflicts of interest – pecuniary and non-pecuniary. Your obligations to disclose and manage conflicts of interest will depend on what type of conflict of interest you have.

→ What is a pecuniary conflict of interest?

(Clauses 4.1 – 4.5)

You will have a pecuniary interest in a matter you are dealing with where there is a reasonable likelihood or expectation that you or a related person (eg a relative, your employer or business partner or a company you hold shares in) will gain or lose financially appreciably as a result of any decision made in relation to the matter.

→ How do I manage pecuniary conflicts of interest that I have in matters I am dealing with?

(Clauses 4.28 and 4.29)

Where you have a pecuniary interest in a matter being dealt with at a meeting, you must:

- disclose the nature of the interest, and
- leave the chamber while the matter is being considered and voted on.

You must do this at each meeting where the matter arises.

→ What is a non-pecuniary conflict of interest?

(Clauses 5.1, 5.2 and 5.8)

Non-pecuniary interests are private or personal interests that are not pecuniary interests.

You will have a non-pecuniary conflict of interest in a matter you are dealing with if a reasonable and informed person would perceive that you could be influenced by a private interest that you have in that matter. This is also known as the “pub test”.

How you deal with a non-pecuniary conflict of interest will depend on whether it is significant.

→ How do I know if I have a significant non-pecuniary conflict of interest in a matter I am dealing with?

(Clause 5.9)

You will have a significant non-pecuniary conflict of interest in a matter you are dealing with where you have a:

- close relationship (including a business relationship) with a person who will be affected by any decision made in relation to the matter
- strong affiliation with an organisation that will be affected by any decision made in relation to the matter, or
- financial interest in the matter that is not a pecuniary interest, or you otherwise stand to gain or lose a personal benefit as a result of a decision made in relation to that matter.

You will also have a significant non-pecuniary conflict of interest in a matter where you are member of the board or management committee of an organisation as the council’s representative and the interests of the council and the organisation are potentially in conflict in relation to the matter under consideration. This is what is known as a “conflict of duties”.

→ **How do I manage significant non-pecuniary conflicts of interest that I have in matters I am dealing with?**

(Clause 5.10)

You must manage significant non-pecuniary conflicts of interest you have in matters being dealt with at meetings in the same way you would a pecuniary interest. You must:

- disclose the nature of the interest, and
- leave the chamber while the matter is being considered and voted on.

You must do this at each meeting where the matter arises.

→ **How do I manage non-pecuniary conflicts of interest that are not significant?**

(Clauses 5.6, 5.7 and 5.11)

If you believe that you have a non-pecuniary conflict of interest in a matter that is not significant and that does not require further action, you must still disclose the interest.

You must disclose the interest at each meeting the matter arises and explain why you believe it is not significant and no further action is necessary to manage it.

→ **Will I have a conflict of interest in a matter if I have campaigned on it or expressed a personal or political opinion on it?**

(Clause 5.3)

No. Absent any other personal interest in a matter, your personal or political views on a matter, or those of any organisation you are a member of, cannot, on its own give rise to a conflict of interest.

→ **Managing conflicts of interest in environmental planning instruments**

(Clauses 4.36, 4.37 and 5.20)

To prevent the loss of quorum at meetings, special rules apply to the management of pecuniary and significant non-pecuniary conflicts of interest in relation to environmental planning instruments applying to the whole or a significant portion of the council's area.

Where you have a pecuniary interest or a significant non-pecuniary conflict of interest in an environmental planning instrument that applies to the whole or a significant portion of your council's area, you must disclose the interest but may participate in consideration and voting on the matter provided the only interests affected are your home or the homes of your relatives and close friends or others you are closely associated with (eg your employer or business partner).

The interests affected must be disclosed in a special return of interests that is tabled at the meeting.

If you, your relatives or close friends or associates have other property interests other than their homes that are affected by the environmental planning instrument under consideration at the meeting, you must remove yourself from any consideration and voting on the matter.

→ **Managing conflicts of interest arising from the receipt of political donations**

(Clauses 5.15 – 5.19)

Where councillors receive or directly benefit from a reportable political donation, this will give rise to a non-pecuniary conflict of interest. Councillors have specific obligations under the code of conduct to disclose and manage conflicts of interest that arise from political donations.

Where you have received or knowingly benefitted from a reportable political donation of \$1,000 or more:

- made by a major political donor in the previous four years, and
- the major political donor has a matter before council,

you must declare a non-pecuniary conflict of interest in the matter, disclose the nature of the interest, and manage the conflict of interest as if you had a pecuniary interest in the matter by leaving the chamber while the matter is being considered and voted on.

→ **What if I am not sure?**

(Clause 5.4)

Remember, no one knows your personal circumstances better than you and for that reason, the onus is on you to identify and disclose any potential conflict of interest you may have in a matter you are dealing with and to manage it appropriately.

If you are not sure whether you have a conflict of interest in a matter you are dealing with or what type of conflict of interest it is, always err on the side of caution.

If in doubt, get out.

→ **How do I deal with council in my private capacity as a resident or ratepayer?**

(Clauses 5.28 and 5.29)

As a member of the community, it is inevitable that you will need to deal with your council in your private capacity.

Where this occurs, you should deal with the council in the same way as other members of the public. You should not expect or seek any preferential treatment because you are a councillor.

For example, if you have lodged a development application with the council, you must avoid discussing the application with staff in staff-only areas.

You must not use your position to obtain a private benefit for yourself or for someone else or to influence others in the performance of their functions to obtain a private benefit for yourself or for someone else (except where doing so through the proper exercise of your functions as an elected representative).

Gifts and benefits

In the course of performing your functions you may be offered a gift or a personal benefit. There are strict rules that govern what gifts or benefits you may accept and those that you must refuse.

These rules are informed by the following principles:

- you must not benefit personally from the performance of your role as a councillor except from the receipt of your fee and the payment of any expenses and the provision of any facilities by the council permitted under the council's councillor expenses and facilities policy to support you in the performance of your functions as a councillor, and
- you must not be influenced or be seen to be influenced in the performance of your functions as a result of the receipt of a gift or personal benefit.

→ **What is a gift or benefit?**

(Clauses 6.1 and 6.2)

A gift or benefit is something offered to or received by you or someone closely associated with you for personal use or enjoyment.

Gifts and benefits do not include:

- items with a value of \$10 or less
- political donations
- a gift or benefit provided to the council as part of a cultural exchange or sister city relationship (provided it is not used for your personal use and enjoyment)
- a benefit or facility provided to you by the council
- attendance at a work-related event or function for the purpose of undertaking your official functions, or
- meals, beverages or refreshments that are provided to you while you are carrying out your official functions.

→ **What gifts or benefits must I refuse?**

(Clause 6.5)

You **must not**:

- seek or accept bribes
- seek gifts or benefits of any kind
- accept any gift or benefit that may create a sense of obligation, or that may be perceived as intended or likely to influence you in undertaking your duties
- accept any gift or benefit that is worth more than \$100
- accept tickets to major sporting or cultural events with a ticket value of over \$100 or corporate hospitality at such events
- accept cash or cash-like gifts (such as gift vouchers, credit cards, debit cards with credit on them, phone or internet credit, lottery tickets etc) of any amount
- participate in competitions for prizes where eligibility is based on the council being a customer of the competition organiser, or
- personally benefit from reward points programs when purchasing on behalf of council.

→ **What if I can't refuse a gift or benefit?**

(Clause 6.7)

If you are offered a gift or benefit that is worth more than \$100 that cannot be reasonably refused, you must surrender it to the council.

→ **What gifts can I accept and who must I report this to?**

(Clauses 6.6, 6.8 and 6.11)

You may accept gifts with a value of under \$100. However, if you receive further gifts from the same person or another person associated with them in the next 12 months with a value which, when combined with the value of the first gift exceeds \$100, you must refuse to accept the additional gifts.

If you accept a gift of any value above \$10, you must disclose this promptly to the general manager in writing. The following details must be recorded in the council's gift register:

- the nature of the gift or benefit
- the estimated monetary value of the gift or benefit
- the name of the person who provided the gift or benefit, and
- the date on which the gift or benefit was received.

Interactions with council staff

Under the *Local Government Act 1993*, the general manager is responsible for the management of council staff. For this reason, the mayor and councillors cannot direct staff in the performance of their duties.

There should be little need for you to directly contact council staff. Most contact with staff is likely to occur through the general manager or other senior staff approved by the general manager.

If you need to contact staff about council-related business, any interaction must be with the general manager's approval or comply with your council's councillor/staff interaction policy.

→ **What are the obligations of the mayor and councillors in dealing with council staff?**

(Clauses 7.6 and 8.26)

You are not entitled to access staff only areas of the council and can only speak directly to council staff about council related matters where permitted to do so under the council's councillor/staff interaction policy or with the consent of the general manager.

You **must not**:

- behave in an overbearing or threatening way towards staff
- direct, pressure or influence staff in the performance of their duties, including in relation to the making of recommendations, or
- make personal attacks on staff at council meetings or other public forums including social media.

→ **What obligations do staff have when dealing with you?**

(Clause 7.6)

Members of staff also have obligations that apply to how they deal with councillors.

In particular:

- staff should not discuss personal workplace matters such as operational issues, grievances, workplace investigations or disciplinary matters with you
- staff should treat you with respect and not behave in an overbearing or threatening way towards you, and
- staff should not provide ad hoc advice to you without recording or documenting the interaction in the same way they would a member of the public.

→ **What information am I entitled to?**

(Clauses 8.1 – 8.6)

It is important that councillors have all the information they need to make informed decisions on behalf of the community.

For this reason, the mayor and councillors are entitled to any information necessary to perform their functions effectively as members of the governing body and as elected representatives.

You must make any requests by way of the councillor action/information request system or in accordance with council's councillor/staff interaction policy. The general manager will decide whether you can be provided with information you have requested and where approved, the information you have requested should be provided to you in a timely way. If information is provided to one councillor, then it must also be provided to all other councillors who request it.

Model Code of Conduct for Local Councils in NSW – 'At a Glance' Guide for Elected Members

You are not entitled to access information relating to matters you have a conflict of interest in.

Requests for this information can be denied unless the information is otherwise publicly available.

If you have a private interest only in council information (ie you don't require it for the purpose of performing your role), you have the same rights of access to that information as any other member of the public.

Use of council information and resources

Council resources (including council information) are public resources. You must use council resources ethically, effectively, efficiently and carefully when performing your duties.

You must not use council resources for private purposes, or convert council property for your own use unless you are authorised to do so.

→ **Use of council resources for election purposes**

(Clauses 8.17 and 8.18)

You must not use council resources (including council staff), property or facilities for the purpose of assisting your election campaign or the election campaigns of others (whether council, State or Federal) unless they are otherwise available for use or hire by the public and any publicly advertised fee is paid for their use.

You also must not use the council letterhead, council crests, council email or social media or other information that could give the appearance it is official council material for the purpose of assisting your election campaign or the election campaign of others (whether council, State or Federal), or for other non-official purposes.

→ **What records should I keep?**

(Clauses 8.21 – 8.24)

All information created, sent or received in your official capacity (whether or not stored on a council device or a council email account) and any information stored in either soft or hard copy on council resources is considered to be a council record and must be kept in accordance with the *State Records Act 1998* and your council's records management policy.

Do not destroy, alter or dispose of records unless authorised to do so.

→ **What are my obligations in relation to the use of council information?**

(Clauses 8.9 – 8.11)

You can only access and use council information for council business. You must not use council information for private purposes and you must not seek to privately benefit from any council information you have obtained in your role as a councillor.

You must only release council information in accordance with established council policies and procedures and in compliance with relevant legislation (including privacy legislation).

You must maintain the integrity and security of any confidential or personal information you have access to. In particular, you must:

- only access confidential or personal information that you have been authorised to access and only for the purposes of performing your functions
- protect confidential and personal information
- only release confidential or personal information if authorised to do so
- only use confidential or personal information for the purpose for which it is intended to be used
- not use confidential or personal information to obtain a private benefit for you or for someone else
- not use confidential or personal information to cause harm to the council or anyone else, and
- not disclose confidential information discussed during a closed session of a council or committee meeting or any other

confidential forum (such as councillor workshops or briefing sessions).

→ **What are my obligations when using my council computer or mobile device?**

(Clause 8.20)

You must not use council's computer or mobile devices to access, download or communicate any material that is offensive, obscene, pornographic, threatening, abusive or defamatory or could lead to civil or criminal liability and/or damage council's reputation.

Making complaints under the code of conduct

Your council's code of conduct is the key mechanism for promoting and enforcing the ethical and behavioural standards the community rightly expects of those who serve the council.

For this reason, it is important that your council's code of conduct is correctly used and that code of conduct processes are respected and complied with.

→ **How do I make a code of conduct complaint?**

(Part 4 of the Procedures)

Complaints alleging breaches of the code of conduct must be made in writing to the general manager. Complaints about the general manager must be made in writing to the mayor. Complaints must be made within 3 months of the conduct occurring or you becoming aware of the conduct.

To be dealt with under the council's code of conduct, a complaint must show or tend to show conduct by another councillor, a member of staff, or another person exercising council functions under delegation or who is otherwise subject to the council's code of conduct in connection with their official role or the exercise of their official functions that would constitute a breach of the council's code of conduct if proven.

The following types of complaints must not be dealt with under a council's code of conduct and should instead be dealt with under the council's routine complaints management processes:

- complaints about the standard or level of service provided by the council or a council official
- complaints that relate solely to the merits of a decision made by the council or a council official or the exercise of a discretion by the council or a council official
- complaints about the policies or procedures of the council, and
- complaints about the conduct of a council official arising from the exercise of their functions in good faith, whether or not involving error, that would not otherwise constitute a breach of the council's code of conduct.

→ **What happens if a code of conduct complaint is made about me?**

(Parts 5, 6 and 7 of the Procedures)

The general manager (or a person authorised to exercise the general manager's complaints management functions in relation to code of conduct matters) has a discretion to decline or informally resolve complaints at the outset.

If the complaint is not informally resolved at the outset, it is referred to an independent expert conduct reviewer who will deal with the matter at arms' length of the council.

The conduct reviewer will undertake a preliminary assessment to determine how the matter should be dealt with. Most matters will be resolved informally by means such as explanation, counselling, training, mediation, informal discussion, negotiation, a voluntary apology or an undertaking not to repeat the offending behaviour.

Only more serious matters are formally investigated. Investigations must follow strict rules that are designed to ensure that matters are dealt with fairly, confidentially and with rigour.

Where, following a formal investigation, the conduct reviewer determines that a councillor has breached the code of conduct, the conduct reviewer may recommend that the council formally censures the councillor for the breach

and, where the breach is serious, that the matter be referred to the Office of Local Government (OLG) for further disciplinary action.

Where the council censures a councillor for a breach of the code of conduct, the council must specify in its resolution the grounds on which the councillor is being censured. It does this by disclosing in the resolution the conduct reviewer's findings and determination. This information is recorded in the minutes of the meeting, thereby ensuring the councillor is publicly accountable to their electors for their conduct.

As noted above, serious breaches of the code of conduct may also be referred to the OLG for further disciplinary action.

Some matters are automatically deemed to be serious and are referred to OLG for consideration instead of being dealt with under the council's code of conduct. These include allegations of:

- pecuniary interest breaches
- failure to disclose conflicts of interest arising from political donations, and
- breaches of the "integrity" provisions (ie misuse of the code of conduct, reprisal action, disclosure of information about code of conduct matters and failure to comply with a council resolution).

The Chief Executive of OLG can take disciplinary action or refer more serious matters to the New South Wales Civil and Administrative Tribunal (NCAT). Disciplinary action includes suspension from office or suspension of the payment of fees for up to three months by the Chief Executive, or for up to six months by the NCAT.

The NCAT can also disqualify a councillor from holding office in any council for up to five years. Councillors who have been suspended by either the Chief Executive or the NCAT on three or more occasions are automatically disqualified for five years.

In the case of pecuniary interest breaches, the Chief Executive can also apply to the Supreme Court for an order requiring a councillor to pay to the council any financial benefit they received from a pecuniary interest breach.

→ **What are my responsibilities in relation to code of conduct complaints?**

(Clauses 9.1 – 9.7, 9.9, 9.13 and 9.15)

You have certain obligations in relation to any code of conduct complaints that you make or that are made about you. These obligations are designed to safeguard the integrity of your council's code of conduct and the processes for investigating and dealing with alleged breaches by ensuring code of conduct matters are dealt with in a manner that is robust, fair and confidential. Breaches of these obligations may themselves constitute a breach of your council's code of conduct.

In particular you must not:

- make code of conduct complaints for an improper purpose
- take or cause reprisal action to be taken against someone for making or dealing with a code of conduct complaint
- disclose any information about a code of conduct complaint you have made or that has been made about you except for the purpose of seeking legal advice, or
- impede or disrupt the consideration of a code of conduct complaint and you must comply with any reasonable and lawful requests made by anyone dealing with a code of conduct complaint.

Breaches of these obligations are deemed to be serious and are to be referred to OLG for disciplinary action under the misconduct provisions of the Act.

Amendments to the Model Code of Conduct for Local Councils in NSW and Procedures

What's new or changing

- The *Procedures for the Administration of the Model Code of Conduct for Local Councils in NSW* (the Procedures) have been amended in response to the decision by the Supreme Court in the matter of *Cornish v Secretary, Department of Planning, Industry and Environment* [2019] NSWSC 1134.
- Amendments have also been made to the *Model Code of Conduct for Local Councils in NSW* (the Model Code of Conduct).
- The new Model Code of Conduct and Procedures have been prescribed under the *Local Government (General) Regulation 2005*.
- The new prescribed Model Code of Conduct and Procedures are available on the Office of Local Government's (OLG) website.

What this will mean for your council

- The new Model Code of Conduct and Procedures take effect immediately. This is because the amendments to the Procedures largely reflect existing practice following the Supreme Court's decision and the amendments to the Model Code of Conduct are minor in nature.
- Councils should adopt a code of conduct and procedures based on the prescribed Model Code of Conduct and Procedures as soon as possible.
- Councils' complaints coordinators should bring this circular to the attention of their council's conduct reviewers. Complaints coordinators should also inform conduct reviewers when the council has adopted a new code of conduct and procedures and provide copies.

Key points

Amendments to the Procedures

- Consistent with the Supreme Court's decision, councils have the following options when taking disciplinary action against councillors for breaches of their codes of conduct under the new Procedures:
 - that a councillor be formally censured for the breach under section 440G of the *Local Government Act 1993* (the Act), or

Office of Local Government

Locked Bag 3015 NOWRA NSW 2541

- that a councillor be formally censured for a breach under section 440G and the matter referred to OLG for further disciplinary action under the misconduct provisions of the Act.
- The process for censuring councillors for breaches of the code of conduct has been significantly strengthened to ensure councillors are made publicly accountable to their electors for their conduct. When censuring councillors, councils are required to specify in their resolution the grounds on which the councillor is being censured by disclosing the investigator's findings and determination and any other grounds that the council considers may be relevant or appropriate.
- Councillors may seek to avoid public censure for breaches of the code of conduct by voluntarily agreeing to undergo training or counselling, to apologise for their conduct or to give undertakings not to repeat their conduct before the investigator finalises their report to the council. Investigators can finalise their investigations without a report to the council where they consider these to be an appropriate outcome to the matter they are investigating. However, it will remain open to investigators to finalise their report and to recommend censure where they consider this is appropriate and warranted.
- The process for referral by councils of code of conduct breaches by councillors to OLG for further disciplinary action under the misconduct provisions of the Act has been streamlined. Investigators are required to consult with OLG before recommending the referral of matters to ensure the conduct in question is sufficiently serious to warrant disciplinary action for misconduct and that there is sufficient evidence of the breach to allow OLG to take further disciplinary action.
- Other amendments have been made to the Procedures to:
 - allow panels of conduct reviewers to be appointed without a resolution of the council, and
 - allow the referral of investigators' reports to OLG for action under the misconduct provisions of the Act where the council will not have a quorum to deal with the matter.

Amendments to the Model Code of Conduct

- The Model Code of Conduct has been amended to:
 - remove as a breach, failure to comply with a council resolution requiring action in relation to a code of conduct breach (because it is now redundant)
 - update the language used to describe the various heads of discrimination in clause 3.6 to reflect more contemporary standards
 - include in the definition of council committee and council committee members, members of audit, risk and improvement committees (ARICs) in anticipation of the commencement of the requirement for all councils to appoint an ARIC following the next local government elections.
- Amendments have also been made to the gifts and benefits provisions of the Model Code of Conduct in response to feedback from some councils. The amendments:
 - lift the \$50 cap on the value of gifts that may be accepted to \$100
 - clarify that items with a value of \$10 or less are not "gifts or benefits" for the purposes of the Model Code of Conduct and do not need to be disclosed

- clarify that benefits and facilities provided by councils (as opposed to third parties) to staff and councillors are not “gifts or benefits” for the purposes of the Model Code of Conduct, and
 - remove the cap on the value of meals and refreshments that may be accepted by council officials in conjunction with the performance of their official duties.
- Councils are not obliged to amend their codes of conduct to lift the cap on the value of gifts that may be accepted if they do not wish to. It is open to councils to retain the existing \$50 cap or to impose another cap that is lower than \$100.
