

Expression Of Interest

The Narrandera shire council wishes to receive expressions of interest for the acquisition of the following excess council stock.

Steel roof trusses

Consists of 6x steel trusses. Each have an approximate 9.90m span and 1.5m height.

This is only for the trusses; no upright frame columns will be supplied.

Please note that council does not provide certification on the structural capability or assurance that consent would be granted for the use of these trusses.

As the trusses are large, suitable transport will be required to legally remove the trusses as well as own form of loading and load restraints. These are the responsibility of the successful applicant.

Large, steel and mesh gates

Lot consists of 2x mesh lined, steel gates. Gates are approximately 3m wide and 3.20m high.

As the gates are large, suitable transport will be required to legally remove them as well as own form of loading and load restraints. These are the responsibility of the successful applicant.

Used steel frame, Bailey bridge.

Lot consists of one used/ dismantled Bailey bridge. The bridge is approximately 3.75m wide with an approximate span of 18m. Due to the removal process the bridge maybe missing parts and have some damage.

No decking will be supplied with the bridge.

Please note that council does not certify or warrant the ability of the bridge to be reused, therefore the bridge will be supplied as parts only. Development consent would be required for the placement within Narrandera Shire.

Some dismantling and a crane will be needed to load the bridge for transport and this cost will be at the purchasers own expense (bridge located 20km south/west of Narrandera).
